

April 2, 2024

Dear Pastor,

Coming September 21st, Christians from different denominations, affiliations, and races will be marching together on Main Street, Gloucester, joyfully proclaiming their faith, singing praise songs, and praying for their country.

We believe God is doing something new in our cities through the March for Jesus.

This national day of praise, prayer and proclamation will bring thousands of Christians to the streets of cities around the nation. Obviously, this is something that no one organization or group of people could make happen. We believe only God's hand could orchestrate something so magnificent and far-reaching.

This year's March for Jesus in Gloucester is set for September 21st, 2024. We will gather that Saturday

downtown and march up Main Street to behind Building 2 at the courthouse. We will sing praise songs as we March and then gather for a prayer assembly. This will not be a protest or a political march, but rather a march simply for Jesus.

Much more information is available about what will happen on September 21st. Please e-mail us immediately, fill out and return the attached church registration, , and we will send you more

information and keep you updated as preparations progress.

In His service,

Timothy R Byrd
